

All our wines are made the way they should be – naturally!
They are free from insecticides, pesticides, artificial fertilisers and chemicals. They contain no (or very very low) added sulphites. So – no nasties, only clean wine.

We have a selection of over 200 wines to drink by the bottle. Please ask us.

Wine 125ml/Bottle

Sparkling

Prosecco Collfondo / Glera - Italy 7.5 / 28
Dry, fresh & fruity, tones of bread crust & peach
pulp / an elegant and fun bubbly to start.

Rosé

Le Grappin / Cinsault – Cotes-du-Rhone, France 6.5 / 29 (750ml Carafe)
From Nyons in the central Rhône Valley. This pale Rosé is made
from juicy fruity Cinsault grapes. Zesty citrus, strawberry and redcurrant
aromas abound with a more strawberry on the palate and a touch of fresh herbs.

White

Motula – Verdeca, Greco - Puglia, Italy 7 / 29
A golden yellow, dry and elegant wine, filled with stone fruit flavours
and a lot of minerality. Made with indigenous grape varieties, this is an
easy drinking wine but with fullness in the mouth.

Le Petit Fontainbleau / Vermentino – Provence / France 7 / 30
Dry and crisp, with an expressive nose of citrus and flowers, very
elegant and invigorating. Round and fresh mouthfeel.

Ciello Bianco / Catarrato – Sicily, Italy 6 / 25
A fun and unusual wine, this unfiltered Catarratto has wonderful flavours
of apple, pink grapefruit, and a very slight hint of ginger and spice.

Apollo / Trebbiano - Abruzzo, Italy 6.5 / 29
Very fresh and easy drinking. The wine is soft, velvety, with good
acidity and hints of pineapple and apple. Also, some notes of peach and jasmine.

Garance / Muscadet – Loire, France 6.5 / 26
A well balanced, fruity, soft and easy-going wine. White fruit notes, a smooth buttery palate and a subtle yeasty character.

Orange - (wine made from white grapes with longer skin contact)

REIA / Rebula - Goriska Brda, Slovenia 9 / 46
From the most popular Orange Wine region in the world.
Deep amber in colour, the nose suggests sweetness, but the wine is dry.
Flavours of summer berries, oak, honey, citrus and herbs.

TUTTO Bianco Anfora / Trebbiano – Tuscany, Italy 8 / 36
An unusual Trebbiano from Tuscany. 7 months skin contact in clay amphora. Classic orange colour in the glass. The nose and palate are pleasant and juicy with dried apricots, rose, earthiness, peach and honeycomb.

Red

La Ginestra / Sangiovese – Tuscany, Italy 6 / 24
Light, fresh, easy to drink. Fruity and juicy.

Reitemp DOCG/ Barbera – Piedmont, Italy 8 / 36
Deep ruby red colour with purple highlights, cherry, spice, black pepper, high acidity, full body. Like drinking a very smooth storm.

Batic / Cabernet Franc – Vipava Valley, Slovenia 9 / 41
A deep ruby coloured, elegant wine. Herbal notes in pure harmony with forest fruit, raspberries and pepper.
Smoky leathery notes in the background.

Rosso delle Grotte / Sangiovese – Lazio, Italy 7.5 / 33
A medium bodied Sangiovese from volcanic soil. Juicy, fruity, rustic with notes of pepper and oak.

Cotes du Jura Chevassu / Pinot Noir – Jura, France 7.5 / 33
The wine is unfinned & unfiltered and aged at ambient temperatures.
The result tastes like a bowl of late-harvest cherries, with a whisper of cinnamon and vanilla, as well as a subtle earthiness. It also has a prickle of carbonation when first poured, which dissipates with a few good swirls.
